# FOREWORD

It is our hope that in the years to come, when memories of high school days have become hazy, this volume will help you to recapture some of the light-heartedness and companionship which have been yours during your stay at Landis High School.

No yearbook can carry a full account of the joys, worries, and hundreds of little happenings that go to make up a school; however, we feel this record will forever remind us of the volumes of unwritten memories which our eyes, alone, can see between the lines.

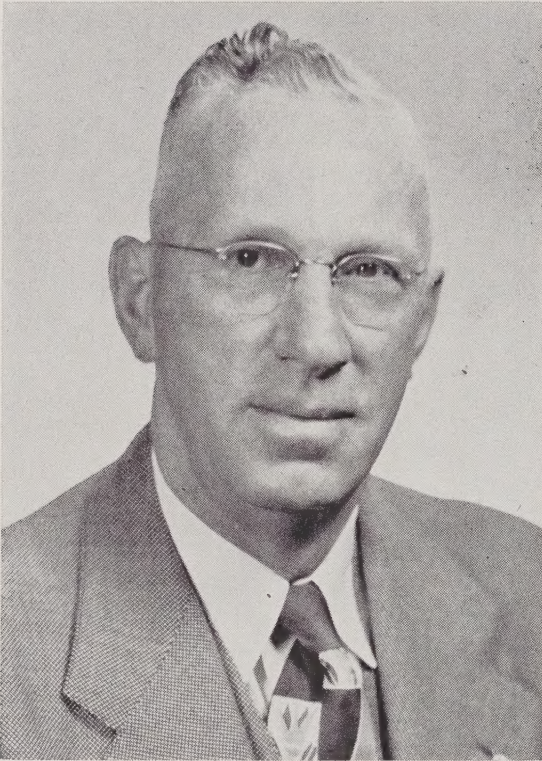

# DEDICATION

To one who was loved and will be thought of by all us in the passing years, one of our most unforgettable schoolmates, whose friendly ways, interest in school activities, sportsmanship, and pleasing smile

have made us remember her as bringing cheer and gaiety wherever she went, we the senior class dedicate this our 1953 Yellow Jacket to the memory of Pat Harrington.

# OUR HISTORY

It had been raining incessantly all day. I had read all the new magazines, newspapers, and looked at all the funnies. Having nothing else to do, I wandered up to the attic. After brushing all the cobwebs from the door, I opened it. A musty but familiar odor greeted my nose. Mothballs! I had used them when storing some of my old play costumes. The source of the scent of mothballs was my old desk, in which I had stored all my belongings that were connected with school. I opened the first drawer and what I spied was a small, brown, leather-bound book with a lock on it. I proceeded to pick it up and open it, but the lock held fast. I, being the stronger, won the struggle that followed. The first entry was dated September, 1941. My interest quickened as I read:  
AUGUST 27, 1941

Today I started to school. I don't like it because I can't read and the teacher won't let me talk. (My mother wrote this for me.)

AUGUST 27, 1949

At 8:30 this morning I entered high school. The changing of classes and six different teachers promised to be a challenge to us and we accepted it with high spirits. But later I learned that the life of a lowly, green, freshman was not the best to be desired. There were one hundred and thirty-five of us in the Freshman Class. Later in our freshman year, we entered the new Corriher-Lipe High School Building. The annuals were distributed today and everyone was thrilled to see his or her picture in it.

I read on, refreshing my memory with the details of my past activities.

AUGUST 27, 1950

Today we start on another mile of our journey. We are now Sophomores and have a few more privileges than we did last year. We elected Balus Chastain as our president. This year passed almost like last year except for the fact that there was nothing any one could teach us now compared to the empty feeling we had last year.

AUGUST 27, 1951

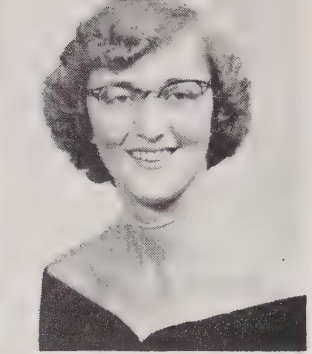

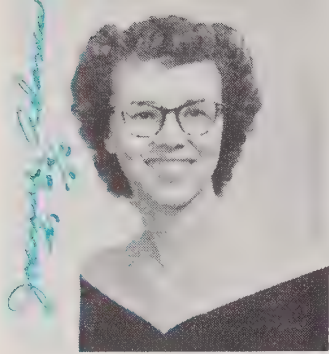

We have completed another mile in our tedious journey. We are now Juniors and second in rank in high school. We feel more responsible now than we did before, because the freshman, who are below us, more or less follow the examples that we set. Today we elected the Junior Class officers. They are: President—Harold Cook; Vice-President—Earl Faggart; Secretary—F a y e Bebbler; Treasurer—Balus Chastain; and Reporter—Anne Taylor.

In April, we had our Junior-Senior Banquet, and later in May, we had our Junior-Senior Prom. Our Homecoming Queen was Gail Miller. Also we started the Dancing Club, which was held every other Wednesday night at the Legion Hut and at the gym.

AUGUST 27, 1952

At last we are Seniors; some of us feel older and wiser, and some feel no change at all. This year is my most important year, and I will have lots of things to write in my diary. We are very proud of our class officers and know they will do their jobs to the best of their ability. They are: President

## CLASS PROPHECY

Here we are in the year 1970, traveling across the country in our flying saucer, the latest means of transportation. On our journey, we see many of the members of the graduating class of 1953.

As we glide over New York, we pass the Yankee Stadium where Mr. and Mrs. Bill Hare's midget baseball team is scheduled for a game today. Out of the dugout comes little Debbie Hare, their water girl. Mrs. Hare is the former *Maxine Hess*. Also at the Yankee stadium we see the great *Bill Barnes*, who only yesterday beat the home run record of Babe Ruth.

Over on Wall Street we see *Pat Lake* starting her great secretarial career under her rich boss, who will eventually be her husband.

In the C. B. S. Television building we see, in Studio A, *Roberta Strickland*, *Doris Sloop*, and *Faye Bebbler*, singing on the Perry Como show. They have replaced the Fontaine Sisters. They call themselves the "Star-dust Trio."

We look across the big city and see *Loretta Beaver* practicing for her concert to be given at Carnegie Hall this evening.

At Radio City, we see *Fred Jenkins*, the skating champion of the world, as guest for the week.

On Fifth Avenue we see *Doyce Wise's* model agency getting ready for its grand opening. Ah! There are several of his well-known models: *Shirley Kimball*, *Gail Miller*, and *Shirley Leazer*.

In Washington we see President *Roy Daniels* and some of his able cabinet members, *Earl Faggart*, *Bruce Ketner*, and *Harold Cook* having a discussion about taxes—no, it seems to be girls. Wonder what their wives would say if they would see them.

On across the country in Chicago, we see the famous jet test pilot, *Perry Deal*, testing the new jet, the Spider, which was designed and built by the famous aeronautical engineer, *Balus Chastain*.

In Hollywood we see the leading star, *Bobby Davis*, playing the part of Roy Rogers in "Six-Gun Duel." We also see *Betty Clodfelter* taking her screen test to star in a movie as a ballet dancer. Over at the Golden Gate Bridge there seems to be some repair work going on. Oh, look, there is *Joe Thompson*, a famous civil engineer, overseeing the job with his workers *Tommy Parson*, *Odell Stamey* and *Glenn Weddington*. In the outer part of Hollywood we see *Ruth Brawley*, owner of a dude ranch, with her personal companion, *Mildred Hallman*, and her private secretary, *Wilma Davidson*. They seem to be discussing a square dance they are having.

Now in Texas we see the multimillionaire, *Roy Campbell*, who is owner of the Shell oil stations all over the country. He seems to be having difficulty with several of his station operators who insist on selling Texaco gasoline. They are *Wayne Heglur* and *Floyd Cavin*.

We pass over New Orleans and see *Ernest Stone*, now leader of a jazz band with *Paul Clawson* playing the bass horn. Ernest is doing exceptionally well. There is his pink cadillac with zebra striped seat covers parked in front. *Barbara Karriker* is his private secretary and business manager.

At a well known hotel in Miami, we see the famous comedian *Douglas Johnson* doing his weekly floor show. Douglas works here only in the winter and spends his summers vacationing in Maine. It seems he is doing very well since he has two lovely mansions in Maine. *Doris Fulcher* is his private secretary, and handles all his private and business affairs.

Back in North Carolina, we see that not all of our members have left the dear old home state. In Greensboro we see *Shirley Smith* starting her school of commerce. As two of her faculty members, she has *Elzo Threatt* and *Jean Walker*.

## CLASS PROPHECY

At Mars Hill, *Nancy Shinn* is continuing her studies in Christian Education. She plans to be a missionary to Africa.

Living at Fort Bragg with her husband, is the former *Anne Fulcher*. She is doing her weekly washing.

At the fairgrounds in Charlotte, *Jimmy Beaver*, a well known speed demon, is racing in his number 58 today. His mechanic and companion is *Shuford Belk*.

Listen! A news flash. *Joe Cook*, one of the ten most wanted men in the United States, just robbed the First National Bank in Charlotte. Will they catch him this time? Let's hope so.

Driving busses for the Carolina Coach Company are *Bobby Eagle*, *Faye Nichols*, *Bobby Goodnight*, and *Gene Upright*. They are taking the members of the Senior Class of our Alma Mater to Washington. That is now an annual affair.

Dr. *Bill Ketner* and his nurses, *Doris Mills* and *Lois Honeycutt*, are on their way to an emergency at the Harrington Memorial Hospital in Landis. Doris has a busy schedule with her duties at the hospital and nursing the wounds of the players of the Landis and China Grove football game of 1952.

*Gene Weddington* has just opened his clothing store on Main Street in Landis, and we see the prominent *Joe Wright, Jr.*, buying a new outfit.

*Ferrell James* has really built the Landis Airport into a promising enterprise. He has planes leaving for all points of the world. The former *Geraldine McLaughlin* and *Thelma Scercy* are boarding one of the planes to meet their husbands in Germany, where they are doing secret service work.

*Billy Hamrick's* Landis Spinners are competing for the National League pennant. They are in second place now.

At the County Farmers meeting, we see two of the leading Dairy farmers, *Bob McLaughlin* and *Henry Starnes*. *Duward Murphy*,

editor of the Landis Gazette, is speaking to them tonight.

*Bessie Peacock* now owns her own drugstore in Landis. It is a hangout for the students. Waitresses and soda jerks are *Betty Boothe* and *Joanne Adams*. *Marvie Cagle* is head of the cosmetics department. *Helen Bunton* and her husband, pastor of the Landis Baptist church, are having lunch in the cafeteria part of the drugstore.

Up the street at Miller's Appliance Shop, *Helen Beaver*, is working as a bookkeeper.

At Cannon Mills we see quite a few of our members. There is *Larry Ford*, a big executive and buyer. *Shirley Fink* and *Latrelle Funderburke* are working in the tabulation department. *Joyce Freeman* is a private secretary to Bill Cannon, and *Sylvia Kluttz* to A. L. Brown.

Back at school we see quite a few of the gang. *Sidney Yost* is the new principal, *Ann Taylor* is head of the Home Economics Department, *Shirley Correll* is head of the English Department, and *Helen Allman* head of the Mathematics Department. *Elizabeth Patterson* is coach of the girls basketball team. *Sylvia Eddleman* is the school secretary and registrar.

Visiting the school today are the former *Shirley Speight* and her husband of the U. S. Navy. They are home for a few days.

Since our fuel is running low we are forced to land—and of all places right in Landis. We really had an enjoyable journey, though; and what a joy it was to see so many of our old friends and classmates, and all doing so well.

## OUR HISTORY

—Roy Daniels; Vice-President—Doris Sloop; Secretary—Loretta Beaver; Treasurer—Bill Hamrick; Reporter—Faye Bebbler; and Parliamentarian—Henry Starnes. Our class advisers were Mrs. John Ritchie, Miss Lillian Barrier, and Mr. Robert Phillips. Balus Chastain was elected President of the Student Government. The last of September, we started our magazine campaign. How wonderful it was to win a plaque. We sold over \$1500 and cleared over \$600. Our class rings finally came, and everyone's fingers suddenly became sore. Football practice came later, and a wonderful undefeated season followed. We had a good many seniors on the squad who gave outstanding performances during the season. Bill Barnes made all of us proud of him as he won so much state-wide acclaim for his great football playing during the season. Our Senior Play was such a glorious success, thanks to the fine direction of Mr. Robert Phillips.

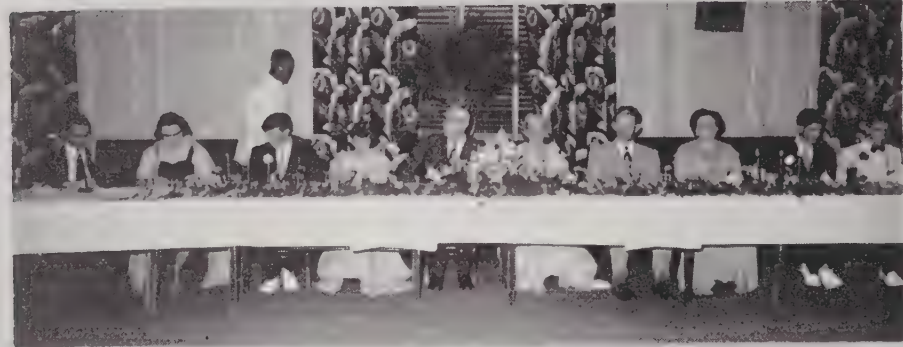

With high hopes, both basketball teams hope to capture both County Conference titles this year. Elizabeth Patterson and Bill Barnes are our two outstanding players and we are depending on them to help us win the Conference.

Gail Miller claimed her share of titles while she was in high school. In her senior year she won the Miss Hi-Miss contest, Miss Landis, and represented us at the Lions Bowl game at Salisbury.

The Juniors gave us a fine banquet and we had a wonderful time there. The banquet was held at Hotel Concord on April 24, 1953. In May we had our Prom at the Legion Hut and everyone was excited because we were reaching the end of our last mile. Preparations for commencement have begun and everyone is doing his part. We chose the American Beauty Rose as our flower and our colors are red and white. Some of us have a feeling of uncertainty as we face the future but whatever comes, we know we can face it with courage and a feeling of achievement. We feel that we have upheld the standards of Landis High School, and as we leave, we expect to bring honor and pride to a school whose colors we so proudly bear.
